

# Thank You County Journal

*“We purchased this business in February and began advertising in the County Journal two weeks ago. Monday morning after the first ad ran the phone was ringing off the hook. In two weeks, our grooming appointments have doubled and our boarding appointments have noticeably increased. The County Journal has let ALL of Eaton County know who we are, not just the Charlotte Area. It has been obvious to us; people are reading and responding positively to the County Journal.”*
