

I personally wish to
Welcome
**The New County
Journal**
to our area!

Last week I placed an open house ad in the The County Journal and talk about a shock! In two hours I had over 35 people go through the home. Sometimes they were standing in line just to get into the house.

Normally, a good open house is 5 to 7 people.

Well, as you can tell I am SOLD on The New County Journal.
